Vocabulary consolidation-1

assets, environment, efficiency, established, facilities, founded, listed, objective recognised

TITAN S.A. was 1 in 1902 and 2 on the Athens Stock
Exchange just ten years later, on 22 February 1912. Since
then TITAN S.A. has 3 an international presence, owning
and operating production 4 in many countries around the
world. The Company's primary 5 is to achieve
multiregional status, be 6 as an independent force in the
world market for construction materials combining business 7
and competitiveness, with respect for the individual, for
society and for the 8
Name and a "Carallar than TITANI One works On the shorts

More specifically, the TITAN Group's 9 ____ include:

Vocabulary consolidation-2

adaptation, bring in, expansion, share, strengthen, optimum, ongoing, vertical structuring

The Company has an annual cement production capacity of 6 million tons ir Greece and a market 1 of around 40%. The TITAN Group's annual production capacity abroad is another 8 million tons.
It was mainly during the 1990's that the Group introduced significant 2 o its activities, investing in the production of ready-mix concrete, aggregates and related materials (mortars, cement blocks). Vertically structured activities now 3 around 40% of overall sales.
The TITAN Group's strategy can be summarised as follows:
•Pursuing international 4 in cement production in order to 5 the Group's regional presence in the 4 areas where production has already been established - Greece, USA, Balkans, Middle East.
•6 improvement in cost and productivity.
•7 utilisation of the Group's human resources, encouraging 8 of the workforce to the Group's new international identity.
